SCHOOL VISION

To educate, empower and nurture each student so they can confidently succeed in the world.

FOREWORD

We welcome you to Nelson College for Girls Preparatory School. Standards, expectations, academic challenges, co-curricula activities and pastoral care are presented in a family atmosphere, that fosters a pride in aiming for excellence. Our vision is that each girl becomes the best she can, is valued for her contribution to our school, and is a happy, confident, independent learner and thinker who will stand out in her secondary school education and beyond.

A strong partnership between school and home is essential for your daughter to achieve success at school. To this end, we have prepared this handbook for you so that we can work together to help your daughter. Please contact us on 03 548 2194 if you would like more information or email us on prep@ncg.school.nz

The first day for Year 7 in 2021 is Thursday 4 February. The girls should meet at the Prep School at 11:45 am before we will proceed to a Mihi Whakatau (official welcome) at the College Hall at 12 noon. We encourage you to be part of the Mihi Whakatau if you wish. The time will also be advertised in the back to school section of the The Nelson Mail in January.

Lucy Feltham
Head Teacher

ATTENDANCE

For your daughter to achieve success, she needs to be in school and in class learning. Our attendance system is designed to monitor students' absences from class.

- ♦ If your daughter is going to be absent, please telephone the Preparatory School Office on (03) 548 2194 or email prep@ncg.school.nz to notify us.
- ♦ Please do not email the class teacher or pass messages through classmates, as ALL absences must go through the computerised system which is maintained at the Prep office.
- ♦ If we cannot account for your daughter by 9:15 am we will contact you to ascertain her whereabouts.
- ♦ If your daughter is ill for more than three days, you will be required to provide a medical certificate.

PLANNED OR INTENDED ABSENCE

Research has shown that regular attendance at school is an important aspect of student success. The Ministry of Education has a goal of 90% attendance for all students. To support this aim, the attendance guidelines for leave approvals limit me to the following justifications for absence.

A Justified absence, and therefore one that can be approved is defined as:-

- ♦ Unplanned absences such as a bus breakdown, accident, extreme weather event etc
- ♦ Planned non-attendance such as national/local representation in a sporting/cultural event in New Zealand or overseas.
- ♦ Approved absence (including overseas) can also include bereavement, visiting an ill relative, exceptional family circumstances.

AFTER SCHOOL SAFETY

Students staying after 3:30 pm in the Preparatory School area for any reason need to have this arranged between the Class Teacher and parents. Sports trainings and team sports involvement will often need alternative transport arrangements.

Planned leave from school must be advised to the Head Teacher via the Prep office either by email or letter in advance of the absence and must have a full explanation. Do not write to your arahi teacher. **You must write separately to the Prep School, even if you have a daughter at the College.** If the absence does not fit the **Justified** criteria it will not be approved, but it will be coded as **Explained** and not approved. If the explanation is not adequate or no letter is received, the code will be **Truant**.

APPOINTMENTS

If your daughter has a medical or similar appointment during school time, please either phone or email the Prep office, or send a note with your daughter. Students are not permitted to walk to external appointments alone without the permission of their parents. If you wish your daughter to do so, please put your permission in writing to the Prep office.

LATENESS

As a school, Nelson College for Girls Preparatory school, endeavours to teach students the importance of getting to school and class **on time**. If students are late, they must to report to the Prep office before heading to class.

ILLNESS

If your daughter becomes ill during the day, she needs to request permission to go home from her class teacher. She can then go to the Prep office and her parents will be contacted. Minor injuries/ailments are dealt with at the Prep Office. Anything requiring more than a sticking plaster or panadol will be dealt with at the NCG Student Office Sick Bay. Serious concerns are reported immediately to parents using the contact information provided by parents on the enrolment medical forms. The girls should **never** contact you directly. Please ensure that you keep us up to date with any changes to this contact information.

PAYMENTS TO SCHOOL

All monies brought to school by students should be in an envelope with the student's name, class and details of what the payment is for on the outside. The envelope can be handed in at the Prep Office. Where possible most payments will be placed directly on your daughter's account. All queries relating to fees and finances are dealt with at the Main College Finance Office – michele.perfect@ncg.school.nz – 03 548 3104 Ext 806

CANTEEN LUNCHES

Our students are able to make full use of this facility. Food can be bought directly from the canteen at morning tea and lunchtime. Please encourage your daughter to make balanced healthy choices if she is buying her lunch from school. We encourage adequate intake of fluids during the day – water bottles should be named.

STATIONERY REQUIREMENTS

Exercise books, home-learning workbooks, clear files and such items will be supplied to all students on day one. This stationery will be charged to your account. Diaries are compulsory and must be purchased ready for the first day of term.

The following items will need to be purchased and brought to school on the first day:

MICROSOFT SCHOOL

We are a Microsoft School

Nelson College for Girls has been selected by Microsoft to be Microsoft Showcase School. We have been selected for our excellence in transforming the learning environment to deliver a more personalised education to our students by using mobile and cloud technology.

The use of technology in and beyond the classroom facilitates an extensive learning process. Here at NCG we are proud to be a certified partner of Microsoft. We will work closely with them to lead innovation in education. Our vision is to give our students the skills they will need for their ongoing success at the completion of their secondary schooling.

BYOD

As you will be aware Nelson College for Girls is a BYOD (Bring Your Own Device) school and many of our learning activities in Year 7 and Year 8 require the use of a device. The specifications we look for in a device for use at school are that it is lightweight, reasonably fast, has good storage, good wifi, is robust and with a keyboard.

To assist parents in purchasing a device, we have teamed up with Noel Leeming to provide access to devices at a favourable price. Visit <https://www.noelleeming.co.nz/byod> and signup for great prices on BYOD devices.

Students can bring devices that they already own. However, a phone is not a satisfactory device for learning. If you need further information or help please contact the IT team at school or pop into any Noel Leeming store..

DEVICES FOR LEARNING

Students do require a device for learning at school and home. These should be brought to school every day. Some devices are better than others for doing school work. The best device will be a lightweight laptop, particularly one which has a touch screen for handwriting and drawing. A phone is NOT a suitable learning device in school.

SUPPORT AVAILABLE

We have a team of highly qualified IT Support Staff that are available to help everyday during school hours. The technicians are trained in Microsoft, Apple and Adobe products to ensure that our students get the support they need, regardless of the device type or issue.

SOFTWARE AVAILABLE

Our goal is to help prepare our students for "life after school", so all students are provided them access to industry standard software.

All students are provided with an account which will allow them to download the full suite of MS Office product onto 5 computers (including home computers). Other subject specific software is available to those students that require it.

ACCESSING THE NCG NETWORK AND WIFI

When students start at Nelson College for Girls, they will be given a username and password. This username and password will give students access to the computers at school and access to the wifi network for their own device

ACCESSING INFORMATION

KAMAR PORTAL

Student and parents can access the daily notices, school calendar, attendance and timetable on the Kamar portal at www.students.ncg.school.nz. Login details will be given out at the beginning of the school year

WEBSITE AND FACEBOOK

The website and Facebook page can be accessed online at anytime. Our website address is www.ncg.school.nz and our Facebook page can be found by searching for @nelsoncollegeforgirls. These pages contain lots of information about the College, as well as upcoming events and student achievements. Please do not use the Contact Us form to inform us of absences. This must be done through the absences email, a link for this can be found on the Home page of the website

SCHOOL STREAM

The School Stream app delivers information directly to parents and students on their mobile devices. This includes events, newsletters, alerts and other information. Download the app from your phone's app store and then select Nelson College for Girls as your school. Prep comes under the Main College umbrella.

If you need assistance regarding any of this information please ring the IT helpdesk on 03 548 3104 ext 809 or email sheridan.mackenzie@ncg.school.nz

INTRODUCTION TO SPORT

Our school employs a Sport Coordinator, Sharona Gordon, to support teaching staff to encourage maximum participation in available sports. Listed below are the major sports as they were for 2020. Anticipated playing days are listed where appropriate. Updated information will follow in Term 1 in a comprehensive Sports Booklet.

SPORT	DAY PLAYED	TERM
Cricket (Selected students only)	Saturday	Term 1/4
Quick Rip	Friday	Term 1
Volleyball	Wed/Thurs	Term 1/4
Underwater hockey	Friday/Sunday	Term 2/3
Basketball	Monday	Term 2/3
Netball	Saturday	Term 2/3
Touch	Friday	Term 4

MUSICAL AND CULTURAL OPPORTUNITIES

A great number of musical and cultural activities are on offer to all students. The Itinerant Music programme allows students to have lessons on a range of different instruments during the school day, and thus alleviates the need for extra lessons at the weekend. All of our itinerant teachers are experienced professionals and are accustomed to teaching beginners as well as more advanced players. This is a perfect time to start learning one of the more complex instruments: stringed instruments, brass, piano and woodwind all take a number of years to master, so it is always better to learn these instruments while young. Rock and pop instruments are all on offer in school too, though these often take less time to master. Students learning brass instruments and the saxophone will have the opportunity of joining the school's wonderful jazz band one day, and so we strongly encourage learning to play one of these because of the fantastic musical experiences that we can offer within this group.

Itinerant music lessons are all offered on a private basis, so if you sign up for these you will receive a bill from the teacher directly. School does not process itinerant music payments. Lessons are generally charged at \$33 per half hour, though some teachers offer group rates that are cheaper. You can learn the following:

Violin	Cello	Piano	Clarinet	Saxophone
Trumpet	Trombone	Viola	Keyboard	Flute
Guitar	Bass Guitar	Drums	Classical voice	Contemporary Voice

All students are members of the Preparatory school choir.

The School Orchestra, under the direction of Mrs Christine Foote, is a senior group and students who are Grade 4 or above on a string instrument are welcome to join.

There will be a Music Fair in the Main College Hall from 5:00 – 6:00 pm on Friday 7 February 2020, where students can meet the teachers and sign up for lessons.

Year 7 students can also receive 'Taster' music lessons during term time. This is a great way to try an instrument for two terms. They cost \$10 per lesson.

If you require more information about the itinerant programme, please contact Patricia Anderson – Arts Administrator at the College: Ph 03 548 3104 – ext. 843, or email patricia.anderson@ncg.school.nz
