

# NELSON COLLEGE FOR GIRLS

Te Kura Tamawāhine o Whakatū

## 2024 – YEAR 9 OPTIONS

Name of student: \_\_\_\_\_

Our goal is to have a future-focused local curriculum that represents the place we live in and the students we teach.

We want our students to learn the skills to be life-long learners who are confident, creative, connected and actively involved in their world.

During the year students will participate in all of the following courses - Arts, English, Languages, Mathematics, Physical Education & Health, Science, Social Studies and Technology. There is also choice within subjects during the year.

Please rank ALL of the following THREE art choices. (1 is the most preferred). You will study TWO of the Arts during the year.

Arts	Rank
Drama	
Music	
Visual Art	

Please also rank ALL of the following THREE technology choices. (1 is the most preferred). You will study TWO of the Technology subjects during the year.

Technology	Rank
Digital Technologies	
Materials Technology	
Design and Visual Communication	

If testing indicates a student needs additional English support, they will be supported with literacy development, or an ESOL class if English is their second language (with parent consultation).
